

Hightech

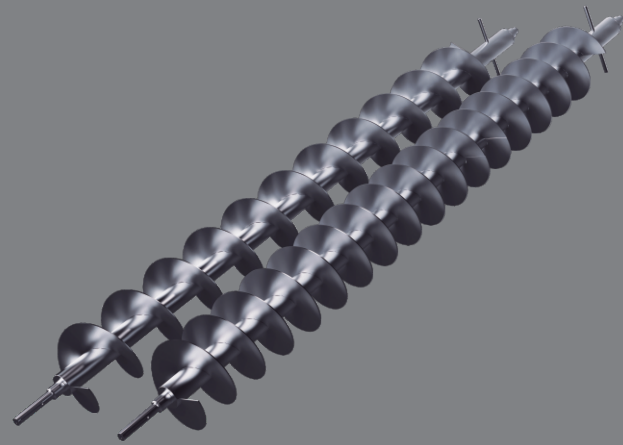

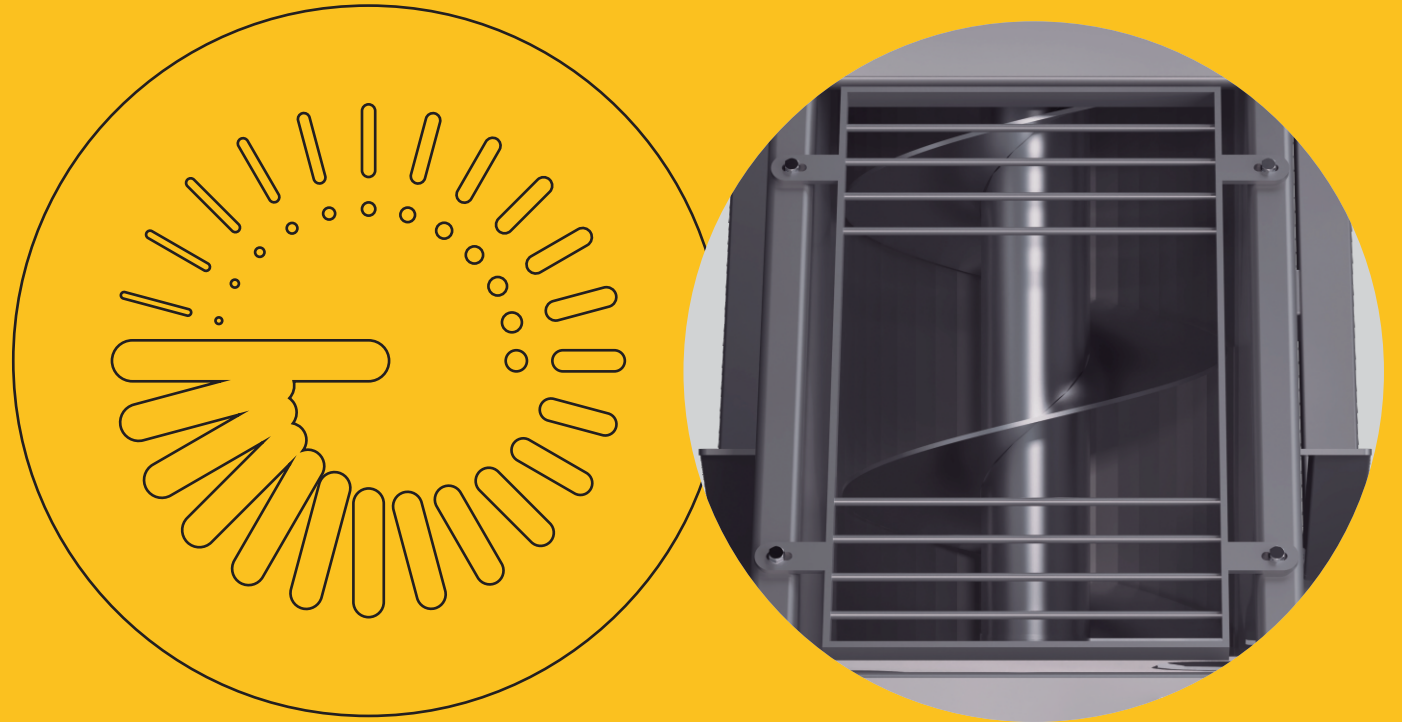

Conveyor TRH and ES

Guaranteed efficiency and quality, machines built to last.
We are committed to the best hygiene and maintenance practices.

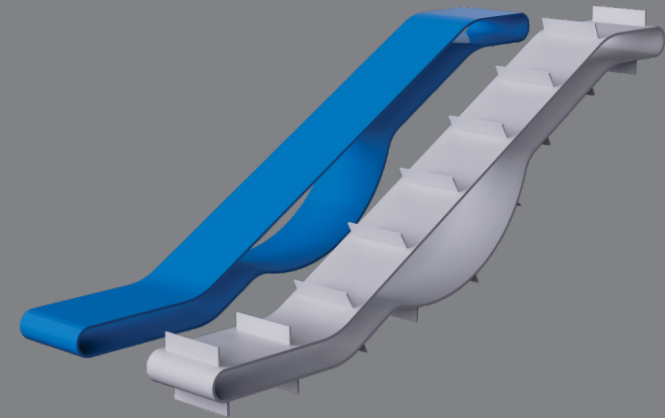

Improve your operation flow.

The Hightech lines of Helical Conveyors TRH and Belt Conveyor ES are equipment designed to optimize flows and transport products or raw materials for different segments and applications.

Various helicoid diameters

Developed with different diameters, angles, and materials to meet the specific needs of each application.

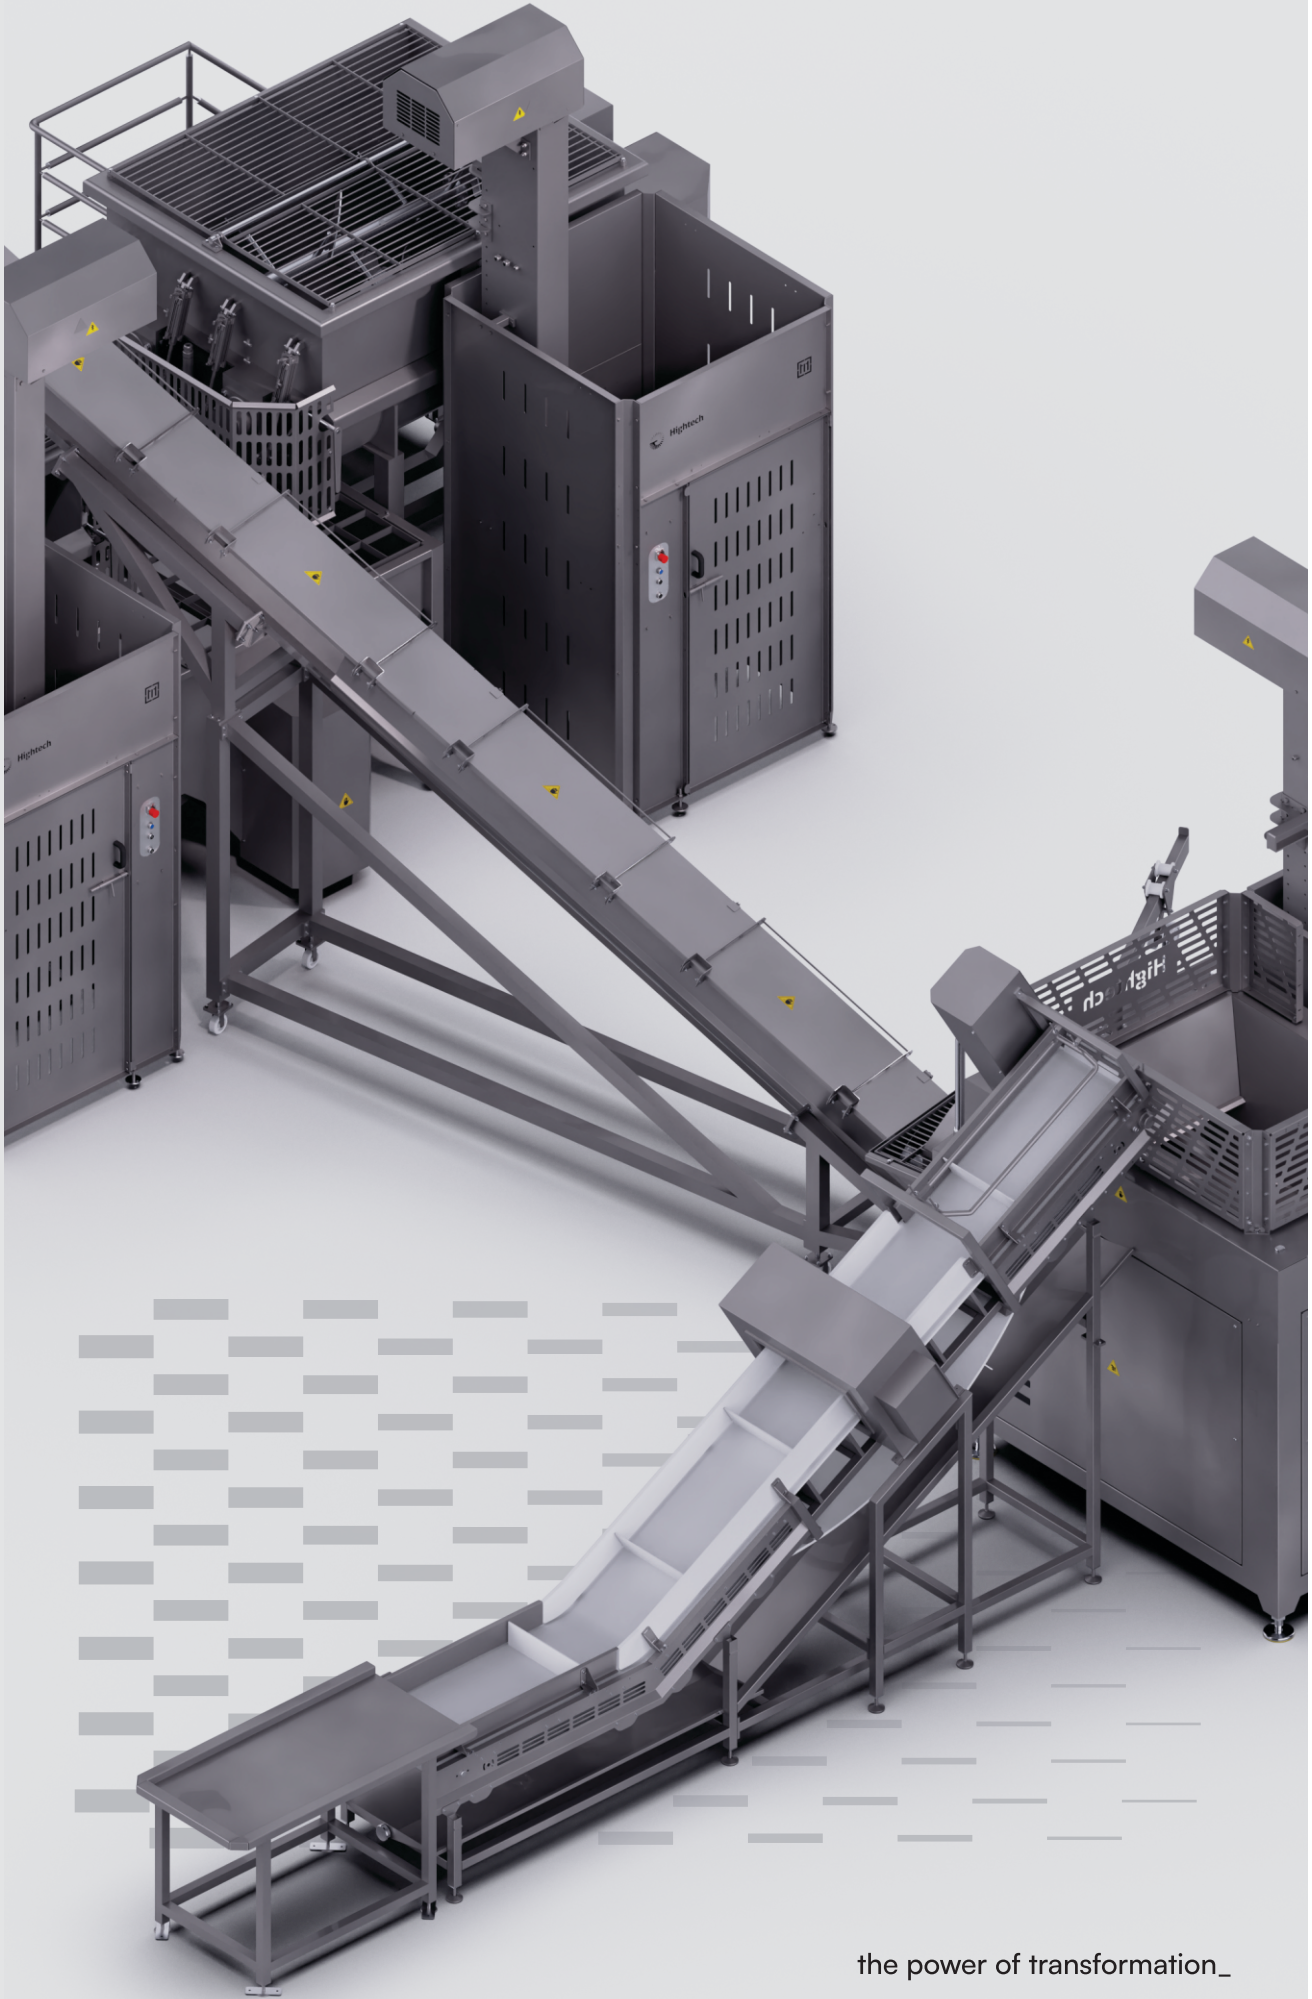

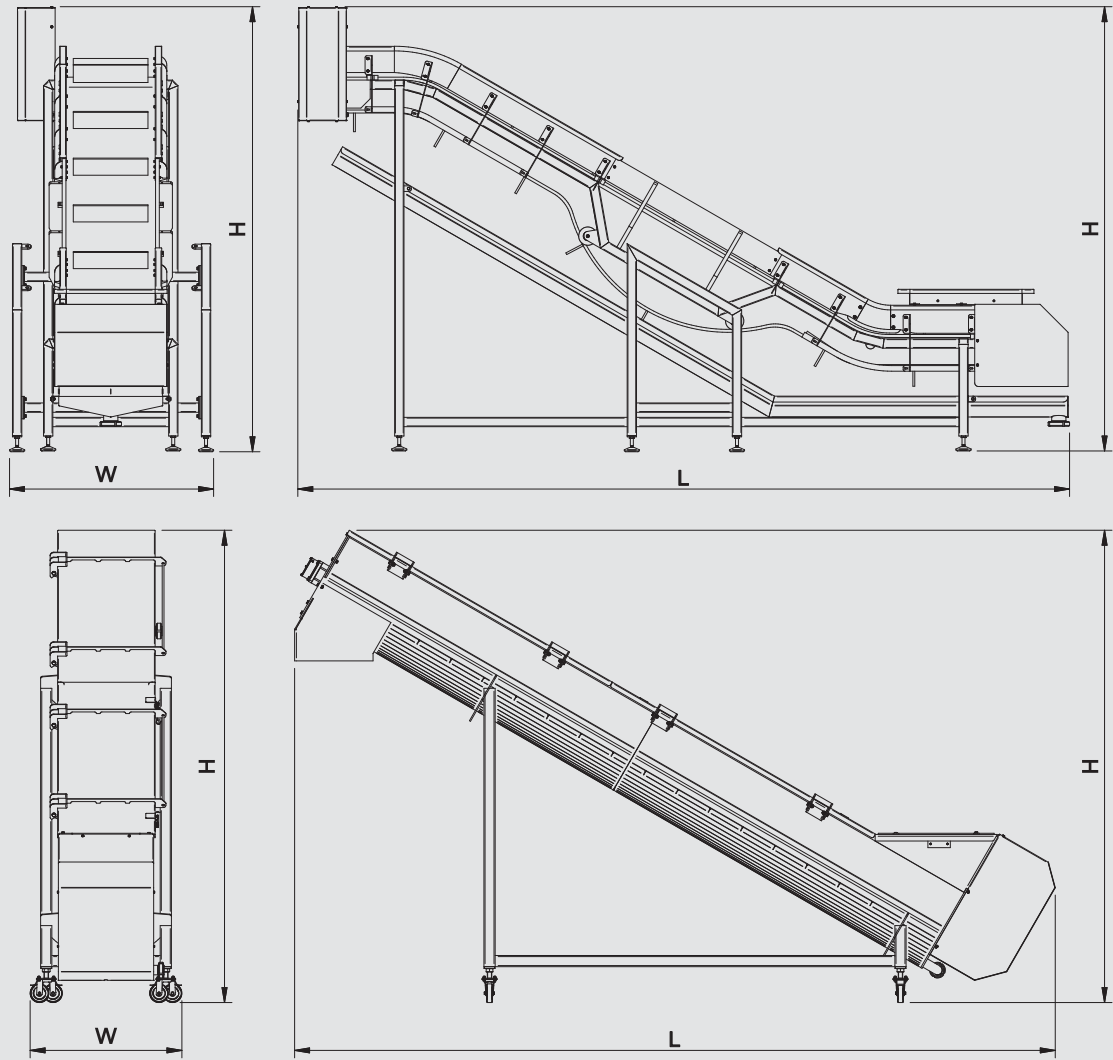

Various conveyor elements

Developed in different shapes and materials to meet the specific needs of each application.

Conveyors TRH and ES Lines

*The dimensions can be adjusted based on the specific needs of the project.
